## 16-19 tuition fund

### Statement

### September 2020

The 16 to 19 tuition fund is a £96 million one-off fund for the 2020 to 2021 academic year only. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted.

Although the actual tuition does not need to be for GCSE English or maths, the students supported all need to be those who had not achieved grade 4 or above in at least one of those subjects at this level by age 16.

All supported students must be on a 16 to 19 study programme and have had their learning disrupted in 2019 to 2020 academic year from the coronavirus (COVID-19) outbreak. You should have regard to the needs of students with special educational needs and disabilities (SEND), particularly where they have experienced additional disruption to learning as a result of their specific needs and disabilities.

Ark Acton Academy is eligible to receive £3,416 from this fund for small group tuition, following the guidance. A small group should be no more than five students for this purpose.
