Once you have activated your account your home page will look like the below but with your name and your child's name in the boxes.

As trips and other payment items are added to the system you will need to make sure when adding funds for lunch you add to the Meals section (as per below).

The screenshot shows the iPayimpact online payment system interface. At the top is the iPayimpact logo and navigation menu. A maintenance notice is displayed. The main content area includes a 'Welcome' message with a name input field, a 'Meals' section with a table for adding payments, and three informational boxes for Term Dates, Holidays, and Link Account to Login.
