

Online learning: Wednesday 6th to Friday 8th January 2021

Students have been set the following work for completion between 6th and 8th January. This work has been set for the students in our online platform Show My Homework. There is guidance on how to use Show My Homework in the 'Remote Learning' section of the academy website as well as supporting videos. If students do not have access to a computer or laptop to complete this work please inform us by contacting info@arkacton.org
