

Virtual Work Experience

Brighton and Sussex Medical School

This course provides a 'virtual' work experience for those looking to apply to medical school. You will be introduced to the NHS before exploring the roles and skill sets of six different medical specialists. Along the way, you will also consider some of the challenges and wider issues doctors face. Find out more [here](#)

Royal College of General Practitioners

RCGP want to encourage [aspiring medics](#) across the UK to register and use [Observe GP](#), a free online platform, to provide insights into general practice. It is a free interactive video platform providing insights into the role of a GP and the wider primary care team. Find out more [here](#)

Barclays Life Skills

Virtual Work Experience gives you a unique opportunity to gain work experience in a company that you might not normally get access to while highlighting the essential skills you might need.

You'll get to see the inner workings of Freeformers, a 'digital transformation' agency, and actively work with different departments on one exciting project, helping them solve problems and complete real-life tasks. Find out more [here](#)

The Lawyer Portal

Traditionally, work experience for law students has taken place within an actual law firm or barristers chambers. However, some law firms have paved the way for a new kind of virtual work experience for law students to allow them to see what life at a law firm might be like. Find out more [here](#)

White and Case UK Law Firm

Virtual experience programme which allows students to gain first-hand insight into life as a White and Case Lawyer. Find out more [here](#)
